Letter to the Speaker of the House of Representatives Transmitting Supplemental Budget Requests May 9, 2003

Dear Mr. Speaker:

I ask the Congress to consider the enclosed amendments to the Administration's FY 2004 budget submission for the Departments of Agriculture, Energy, Housing and Urban Development, the Interior, Justice, Labor, and Transportation; the Office of Personnel Management; and the Farm Credit Administration. I also ask the Congress to consider the enclosed proposals for the Department of the Interior and the Social Security Administration.

This transmittal also contains FY 2004 budget amendments for the Legislative Branch. Appropriations requests of the Legislative Branch are historically transmitted without change.

Further, in accordance with provisions of Public Law 108–11, the FY 2003 Emergency Wartime Supplemental Appropriations Act, I hereby request and make available \$280.0 million for the Transportation Security Administration (TSA) of the Department of Homeland Security. Consistent with the Act, TSA would utilize these resources solely for expenses incurred to hire, train, and deploy initial passenger screeners.

The details of this proposal are set forth in the enclosed letter from the Director of the Office of Management and Budget. I concur with his comments and observations.

Sincerely,

GEORGE W. BUSH

The President's Radio Address *May 10, 2003*

Good morning. This week with a vote in the House of Representatives, Congress took a positive step towards passage of my jobs-and-growth proposal. The plan I submitted would create more than a million jobs by the end of next year through immediate tax relief for American families and businesses.

Since I sent my plan to Congress in January, the need for action on the economy has become even more urgent. The unemployment rate last month reached 6 percent, as many employers continue to hold back on the kinds of investments that lead to new jobs. The bill that passed the House of Representatives this week includes all the elements of my plan: cuts in incometax rates this year; reduction of the mar-

riage penalty; an increase in the child credit from \$600 to \$1,000; an increase in the expensing provision for small-business investment in new equipment; and action to reduce the double taxation of dividend income.

These reforms would bring immediate help throughout our economy. They would leave more money in the hands of families who need it to make purchases and to pay the bills. And this tax relief would give employers greater incentives and resources to invest in new equipment. The result will be more jobs, and that is our goal.

We are also making progress on passing tax relief in the Senate. The Senate Finance Committee has approved legislation
